

# CALL FOR PAPERS

We are honored to announce the 33rd edition of the **International Economic Conference of Sibiu (IECS)**, one of the most prominent academic and professional events in the field of economics and related disciplines.

The conference continues its long-standing tradition of fostering dialogue and collaboration among researchers, academics, and practitioners from around the globe. Participants are invited to present original research, case studies, and policy-focused papers that contribute to addressing contemporary economic challenges and opportunities.

**May 22-23, 2026**

**Hybrid Conference**
